

# Bag Carrier MAKER CHECKLIST

## Maker To Do List

Ask the requester to print off the User Quick Guide so they can determine which size bag carrier would best fit them.

- ☐ Determine the cost of materials and relay this cost to the user before printing to ensure the requester is comfortable with the price.
- ☐ Ask the requester if they want any customizations to the device (e.g., color).
- ☐ Print the device.
- ☐ Deliver the device and User Quick Guide to the requestor.
